

LARA is available as recessed light. Modern yet elegant, LARA recessed version is a 90mm cutout downlight, perfect for lighting up retail shops, galleries or other commercial projects.

The spotlight features black or white powdercoated aluminium housing, offers 355 degree rotation and 80 degree tilt.

What's more, it can be customised as a track light or surface mounted downlights for more flexible installation.

Supplied with LED driver and flex & plug, this 12W recessed downlight is easy to install.
