

WAH2 recessed downlight is an elegant and highly functional addition to BoscoLighting's led downlight range, featuring narrow trim design. The deep recessed design of LED fitting guarantees a higher level of visual comfort. It is supplied with drivers as well as flex and plug lead, making it a fast and easy installation.

WAH2 is available in black or white reflector options. This narrow trim LED downlight is ideal for modern residential properties as well as restaurants, cafes or other retail stores.
