

This 12W downlight is shorter than other WAJ downlights. Manufactured at 90mm height, this shorter version is compact yet performing as good as other WAJ downlights. It is ideal for projects that have narrow ceilings. With deep set cone finished in white powder coated aluminium, it is perfect for commercial, retail and other applications required high quality wall wash luminaire.

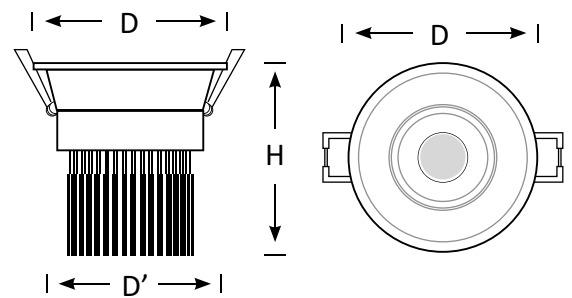

While really bright, they are also very energy efficient. Our lights come with a L90 B10 rating, which means they are designed to stay brighter for longer, so your shop, reception area or foyer will retain its impact for many years.

Downlight WAJ2
