

BoscoLighting's IGS1 Square Inground Lights can add depth and drama to your outdoor entertaining areas. With IP67 weather protection, they are perfect for uplighting applications in gardens, drains, driveways or colour washing at trees. Our in-ground lights are extremely tough, able to be driven over by cars and trucks.

These lights come in a variety of powers and sizes and can be integrated with DMX512 lighting control to create colour changing effects for your projects.

Features

- Choice of Warm White, Neutral White, Cool White colour temperature options and RGB colour changing or single colours
- Stainless steel finish, aluminium die casting housing with tempered glass lens
- Weatherproof (IP67) to handle any indoor or outdoor situations
- Supplied with canister

Applications

- Driveways where cars and trucks driving over the lights
- Town Squares and footpaths with high pedestrians traffic
- Walls, trees, building facades and similar uplighting applications
