

The GG78 Series is perfect for retail locations where a specific point requires more attention or to remove shadows. Our GG78 Series is to make products pop and attract customers, highlighting premium goods and displays. Available in a range of power levels, this product can also be used for art galleries and lighting wall hangings.

With our lights your customers won't be looking up and wondering why the bulb hasn't been changed. They will keep your products bright and in your customer's eye. Our products are easy to install, creating a pleasant feel good atmosphere. They are bright and comfortable and are therefore perfect for use in entrance and waiting areas too.
