

Surface Mounted Light Waterproof YUKA

YUKA series is with IP Rating 65 allows you to install it in bathrooms, corridors or other outdoor projects. Perfect for projects where recessed lights are not possible. You can easily install them to surfaces such as brick or concrete where traditionally an oyster light fitting would be required.

Bright and comfortable, it features amazing illumination with minimal power consumption. Perfect for general lighting in waiting areas or other interior spaces.

*Also available with diffused SMD version.
