

Introducing the DLX05, a robust and stylish up/down outdoor wall light designed to enhance your outdoor spaces with outstanding performance and modern aesthetics. Constructed from high-quality aluminum and boasting an IP65 rating, this light offers protection against water ingress, ensuring long-lasting durability in outdoor environments.

Equipped with dual 10W light sources, the DLX05 delivers ample illumination in both upward and downward directions, creating a warm and welcoming atmosphere. Its sleek rectangular design adds sophistication to any outdoor setting, making it ideal for walkways, entryways, and architectural highlights.

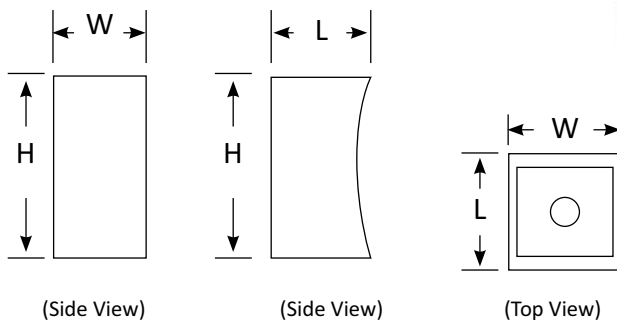

Available in black or grey finishes, the DLX05 seamlessly blends with diverse architectural styles, enhancing both residential and commercial outdoor spaces.
