

This contemporary lighting solution combines form and function, casting a warm, inviting glow that illuminates any room with style. Crafted with precision and attention to detail, the AALTO wall light features a streamlined design that seamlessly integrates light both above and below its minimalist frame.

This dual-directional illumination creates a soft, ambient atmosphere while providing ample task lighting for practical needs. With its clean lines and modern aesthetic, the AALTO effortlessly complements a wide range of decor styles, from contemporary to transitional. Available in three sizes to suit various spatial requirements, this versatile wall light is an ideal choice for bedrooms, hallways, living areas, reading nooks, offices, and beyond.

Rated IP20 for indoor use, the wall light creates a gentle, layered lighting effect, bathing your surroundings in a soft, ambient radiance while providing ample task lighting for practical needs.
