

Make a bold statement with the ALVAR Wall Light from BoscoLighting.

Crafted from robust aluminium and finished in a sleek powder-coated white, this contemporary fixture exudes elegance and quality. With light source reflected above and below, it creates an attractive direct and indirect lighting effect to your projects.

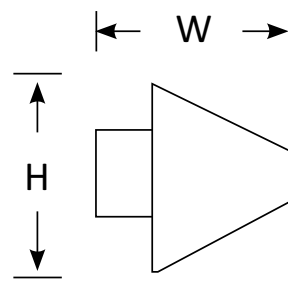

With an IP20 rating for indoor use, it's ideal for living areas, dining rooms, or commercial spaces. Combining minimalist aesthetics with high-performance LED technology, this energy-efficient wall light offers both style and functionality. Elevate your space with this exceptional lighting solution.
