BOSCO LIGHTING
LED LIGHTING SPECIALIST

Introducing our versatile VEGA wall light, designed to provide exceptional lighting solutions for any space. The rectangular floodlight shape provides wide and even coverage, perfect for illuminating any room. With a range of product power options from 5W to 20W, you can choose the perfect lighting intensity for your space.

Our VEGA wall light is also highly customizable, with dimmable, DMX512 and RF options available for convenient and easy control. The black fitting color adds a sleek and modern touch to any interior design. This LED wall light is not only energy-efficient but also long-lasting, making it a smart investment for any homeowner or business owner looking for a reliable and stylish lighting solution.
