

BoscoLighting's LW4050 LED wall wash series incorporates 18 or 36 x 1W LEDs in an IP65 aluminium alloy housing. It allows great design flexibility with a 15, 30, 45 and 60 deg beam angle to achieve various effects. The 60 deg beam is perfect for general lighting providing a large pool of diffused light. The 15 deg beam is excellent for throwing light to a wall, highlighting features or creating pools of concentrated light.

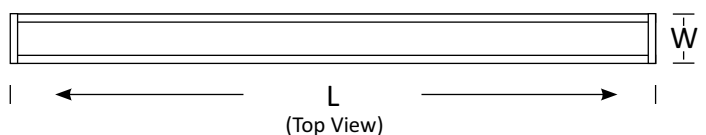

It is designed for lighting up interior walls, building facades or billboards. Also available with single-colour or RGB version.
